French Golf by Severiano Ballesteros

Golf International de Pont Royal was voted “Best French Golf Course 2021, 2022 and 2023” by the World Golf Awards. This emblematic 18-hole course at Pont Royal reflects the intelligence and finesse of its architect, the great champion Severiano Ballesteros, who designed his only French golf course.

You’ll appreciate the beauty of the course, perfectly integrated into the natural environment, alternating tactical and technical difficulties between lakes, garrigues and pine forests.

Located at the foot of the Luberon, between Aix-en-Provence and Avignon, Pont Royal is a gateway to Provence for tourists and sports enthusiasts alike. Beautifully maintained, it offers a real sporting challenge to players of all levels, thanks to its vast and numerous tees and the variety of shots to be played.
